**A. INTRODUCTION**

Throughout this Amendment these entities are referred to as follows:

City of Golovin	=	City
Alaska Native Tribal Health Consortium	=	ANTHC
Financial Assistance Sub-Award	=	FSA
Denali Commission	=	Commission
Environmental Protection Agency	=	EPA

On Sept. 24, 2002, ANTHC and the City of Golovin executed an FSA authorized by the Denali Commission to design and construct a new washeteria. The scope of work included design, construction planning, site preparation, materials and equipment, construction, and labor.

The project was funded via Denali Commission Financial Assistance Award No. 0068-DC-2002-I21, Amendment No. 1, dated June 2002, which identified the following funding:

- \$818,520 of Commission funds
- \$12,500 of City matching funds
- \$165,500 of City matching funds in the form of an EPA grant

## B. REVISION OF PROJECT FUNDING

This Amendment adjusts project funding as follows:

- Adds \$290,000 to cover cost overruns due to increased material costs. The additional funds are provided via Denali Commission Financial Assistance Award No. 272-07, dated February 2007.
- Rescinds the \$12,500 City match
- Clarifies the \$165,500 City match in the form of an EPA grant: These matching funds are part of ANTHC sanitation project AN 01-M74 for washeteria construction, and are cited in the AN 01-M74 CPA. The \$165,500 of EPA funds are therefore being removed from the AN 02-G36 FSA.

Project funding therefore totals \$1,108,520.

A revised cost estimate table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost	Funding Sources	
						Denali FY02	Denali FY07
C-WA	Design and construct new washeteria	1	LS	980,791	980,791	690,791	290,000
<b>Golovin Award</b>					<b>\$980,791</b>	<b>\$690,791</b>	<b>\$290,000</b>
M-PP	Professional Operations Charges				127,729	127,729	
<b>Total Award</b>					<b>\$1,108,520</b>	<b>\$818,520</b>	<b>\$290,000</b>

This document constitutes Amendment No. 1 to design and construct a new washeteria in Golovin, Alaska. All other sections of the original FSA remain in effect as agreed upon and executed.

## MEMORANDUM

DATE: March 2007

FROM: Director, Central Engineering Services

SUBJECT: City of Golovin – Environmental Review  
Project No. AN 02-G36, Amendment No. 1

TO: FOR THE RECORD

Federal funding for this project requires an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA). The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in September 2002 with respect to the proposed sanitation facilities construction at Golovin, Alaska under Project No. AN 02-G36. This Amendment will not change the scope outlined in the original document. No additional environmental review is necessary at this time.

The ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed if the scope of work changes.
